COVID 19 STATEMENT ASC

At Karing Hearts Cardiology Heart and Vascular Center, it is of foremost importance that we remain dedicated to the safety of our colleagues and patients during this unprecedented time. Our number one priority is to protect our medical professionals, so they can continue to serve our community with the highest quality of care.

We will follow the guidance of the Centers for Disease Control and Prevention (CDC) as well as our state government regarding regulations specific to COVID-19.
While our facility does not treat those suffering from COVID-19, every precaution is being taken to prevent the spread of the virus and ensure our facility remains a safe environment for our patients and colleagues. If you have any COVID-19 symptoms, contact your physician immediately. Please do not present to our facility.
